

DRAFT

WASHINGTON STATE CONSERVATION COMMISSION

WSCC POLICY No. 05-06 COMM

**NATURAL RESOURCE CONSERVATION SERVICE
REPRESENTATIVE**

(This policy replaces the prior WSCC Commission Policy, Soil Conservation Representative Amended March 19, 1987)

GENERAL TOPIC: **Recognition of the Natural Resource Conservation Representative as
an Important Contributor to the Conservation Commission**

APPROVED: _____ DATE ISSUED: _____

POLICY

The State Conservationist for the Natural Resource Conservation Service or his/her designee is recognized as an important contribution to Conservation Commission meetings.

Even though he/she is not a regular member of the Commission, the following policy shall serve as a guide for his/her participation in the meetings.

- He/she may attend all meetings, including executive sessions.
- He/she may not make motions, or vote.
- He/she may be recognized by the chairman and enter discussion on any subject in the same manner as any regular Commission member.

CONSERVATION COMMISSION

POLICY POSITION

Soil Conservation Service Representative

The State Conservationist for the Soil Conservation Service or his/her designee is recognized as an important contribution to Conservation Commission meetings. Even though he/she is not a regular member of the Commission, the following policy shall serve as a guide for his/her participation in the meetings.

1. He/she may attend all meetings, including executive sessions.
2. He/she may not make motions, or vote.
3. He/she may be recognized by the chairman and enter discussion on any subject in the same manner as any regular Commission member.

Approved as Amended
